**We have decided to kick start the new year at the WineBarn with a unique behind-the-scenes tasting of our German wines. The tasting has been designed to give our guests exclusive access to our producers and a chance to ask these experts questions about the wines tasted.**

Due to the demand for tickets in the past we have decided to limit ticket allocation this year to make the wine producers easier to navigate through, providing a more relaxing atmosphere for both tasters and producers.

If you haven't tried German wines before why not make it your New Year's resolution to come and taste with us. You'll be converted.

**Please join us. Ticket prices are GBP 25.00 pp for 2 hours of intense tasting.\*\***  
*\*\*Water and nibbles will be available.*

*There will be an opportunity to order through the WineBarn on the night so you can have your wines delivered direct to your door.*

**If guests would like to stay for dinner in the Bistro of the Michelin-starred St James Hotel and Club, a 20% discount is available on this night only. Reservations are advisable.**
